

Hello _____,

My name is _____ and I am a Beta Club member from _____.
National Beta Club promotes academic achievement, character, leadership, and service. We are working on a project called Beta Around the World. Our goal is to obtain photos of people holding our shield in every state, country, and continent.

This is where you come in! Please take a selfie style picture of you and our Beta insignia in front of something that identifies where you are in the world. Think big - Eiffel Tower, Egyptian pyramids, Hollywood sign, etc. I included a printed version of our shield for you.

Once you take the photo, please email it to me at _____.
I will send it to National Beta and you will be featured on social media!

Thank you in advance for helping to make our project a success!

Beta Club Facts
